10th Annual Roundtable Meeting on Sustainable Palm Oil
Resorts World Sentosa, Singapore
30 October – 1 November 2012

See the programme online at www.rt10.rspo.org

“It is in the interest of everyone to ensure that palm oil continues to serve the gifts it offers; while ensuring that its detrimental consequences through unsustainable practices are discontinued.”

– Darrel Webber, Secretary General, RSPO

This year's RT10 will serve as a platform to discuss:

1. Reflections on the advancements towards sustainable palm oil that have been made during the past decade.
2. Views on what should be the business model for the future of the palm oil industry.
